Delivering for Nutrition in South Asia 2024: Implementation Abstract Form (*View Only*)

NOTE: This PDF is intended to give submitters an idea of what to expect on the abstract submission form for implementation experiences. All answers <u>must</u> be submitted through the Microsoft Form only ([click here](#) for the Microsoft Forms link for the implementation abstract form).

PRESENTER INFORMATION

Please enter the details of the person who will present the abstract if selected. If you are completing the form for someone else, please use the intended presenter's information, not your own.

1. Title
2. Full Name (*As it appears on your passport or other official identification document*)
3. E-mail Address (*If multiple, separate by semicolons*)
4. Re-enter your e-mail address (*For verification, match the one(s) previously provided*)
5. Organization/Affiliation (*Write out full name*)
6. Designation/Position
7. Contact Number (*Include country code, no spaces or characters*)
8. Co-author/collaborator information (*If none, write N/A; if present, separate e-mails by semicolons*)
9. Which country/region is your abstract related to? *Select all that apply.* (*Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan, Sri Lanka, South Asia region*)
10. Country of presenter (*Country where you are primarily based*)

ABSTRACT INFORMATION

All abstracts will be reviewed anonymously to ensure a fair assessment based solely on the submitted work. To this end, please avoid including any personal information such as organization names, collaborator names, your name, and donor names in this section.

Note that animal-based clinical trials are beyond the scope of this conference and, hence, will not be accepted.

11. Enter the title of your abstract.

12. Has this work been published? (*Yes/No*)

13. Which thematic area is most closely aligned with your abstract?
    - *Agricultural production*
    - *Markets, food environment and value chains*
    - *Digital innovations*
    - *Behavior change communication (BCC), including nutrition education*
    - *Health systems*
    - *Diets and drivers of food choices*
    - *Water, sanitation, and hygiene (WASH) and water systems*
    - *Social protection, including social safety nets*
    - *Equity and social inclusion*
    - *Climate action*

- *Policy and governance*
- *Strengthening the capacity of individuals and institutions*

14. In line with our theme for D4N2024, we are seeking submissions that demonstrate meaningful intersections across various thematic areas. Please select all thematic areas that your abstract covers, including the primary thematic area.
    - *Agricultural production*
    - *Markets, food environment and value chains*
    - *Digital innovations*
    - *Behavior change communication (BCC), including nutrition education*
    - *Health systems*
    - *Diets and drivers of food choices*
    - *Water, sanitation, and hygiene (WASH) and water systems*
    - *Social protection, including social safety nets*
    - *Equity and social inclusion*
    - *Climate action*
    - *Policy and governance*
    - *Strengthening the capacity of individuals and institutions*

15. Target population (*Children, Adolescents, Pregnant/lactating women, Adults*)

16. Geographic location (*Regional, National, Sub-national*)

ABSTRACT DETAILS

In this section, provide specific information about your abstract. Read the instructions carefully and adhere to the word limit to avoid negatively impacting your score.

17. Background about the intervention (~50 words)
    - What was the intervention?
    - Why was the intervention needed?
